PROFESSIONAL SUMMARY

At Techpatriate service, I fostered open communication and self-reliance among adolescents as a Mentor, leveraging my problem-solving and analytical skills alongside expertise in HTML, CSS, JavaScript, and WordPress. My approach, focused on coaching and active listening, established me as a positive role model and impactful guide.

SKILLS

Problem-Solving

Html, Css, Javascript and wordpress

Service Plan Design

Analytical Skills

EXPERIENCE

MENTOR, Abuja

Techpatriate service, January 2023–January 2024

- Created an environment that enabled open communication between mentor and mentee relationships through active listening techniques.
- Helped mentees become self-reliant through coaching and counseling.
- Served as positive role model to adolescents requiring guidance.
